Epsilon Exclusive Fund List

This document provides to customer list of exclusive lists of mutual funds distributed by Epsilon Money Mart Pvt Ltd (Epsilon Money) along with the respective funds risk-o-meter as published by the Asset Management Companies (AMC).

We review and refresh the suite of Epsilon Exclusive Fund List on periodic basis, which are available for suggestion with us basis various parameters, such as Customer demand, return, fund size, fund management team, risk, etc., and, as a part of this process, products are on-boarded or discontinued for fresh investments.

Its our endeavor to suggest a range of products that we feel is likely to be suitable and appropriate for you, based on your financial needs, risk profile, investment objectives and other information provided by you. We will help you identify products suitable for you after evaluating the above. The decision to invest in products suggested by us completely rest with you and we shall assist you in processing your transactions.

This document also includes Product Labelling of each scheme of mutual fund defined by the respective mutual funds house/Asset Management Company (AMC) as guided by SEBI circular No.: SEBI circular no. CIR/IMD/DF/5/2013 dated 18 March 2013, CIR/IMD/ DF/4/2015 dated 30 April 2015 and SEBI/HO/IMD/DF3/CIR/P/2020/197 dated 5 October 2020 on Product Labelling in Mutual Funds. Product Labelling (Riskometer) is the process of labelling the schemes of mutual funds by the mutual fund houses, as required by the applicable SEBI regulations that would provide investors an easy understanding of the kind of product/ scheme they are investing in and their associated risk. The Riskometer is a pictorial representation of the principal at risk for any scheme. It is recommended that you refer to both Riskometers. Epsilon Money updates the risk-o-meter as and when the information is published by AMC in public domain using batch update approach which could, result in a lag in updating the risk-o-meter for the schemes on our systems and documents. Investors should refer to risk-o-meter published by the AMCs on their respective websites prior to investing.
